NOTICE

The personal use of campaign funds is prohibited.* The use of campaign funds must be related to a political campaign or the holding of a public office or party position. However, campaign funds may be used to reimburse a candidate for expenses related to his campaign or office, to pay taxes on the interest earned on campaign funds or to replace articles lost, stolen, or damaged in connection with a campaign.

Excess campaign funds may be returned to contributors on a pro rata basis, given as a charitable contribution as provided in 26 USC 170(c), given to a charitable organization as defined in 26 USC 501(c)(3), expended in support of or opposition to a proposition, political party, or candidacy of any person, or maintained in a segregated fund for use in future political campaigns or activity related to preparing for future candidacy to elective office.

*The prohibition on the personal use of campaign funds does not apply to campaign funds received prior to July 15, 1988.
Form 102, Rev. 8/80, Page Rev. 4/84.

SCHEDULE A-3: OTHER RECEIPTS

This schedule is used to report those receipts that are not "contributions"; that is, monies paid to the campaign that are not given for the purpose of supporting, opposing or otherwise influencing the nomination or election of a candidate to public office. Examples include interest or investment income. Receipts should be reported on this schedule only if they have not been reported elsewhere in this report. The explanation of the receipt should state the reason the payment was made to the campaign.

SCHEDULE E-1: EXPENDITURES

Use this schedule to report information on all campaign expenditures for this reporting period. An "expenditure" is any payment made for the purpose of supporting your election to public office and includes monies spent for the campaign's general operating expenses. Any payments made that are not "expenditures" should be reported on SCHEDULE E-2: OTHER DISBURSEMENTS. Totals and subtotals at bottom of page are optional. Completion of totals and subtotals may assist in calculating totals that must be reported on the Summary Page.
